

Providing Consent for Information Sharing – Students 18 Years of Age

1. Why am I not my child's contact anymore?

Provincial legislation requires school boards to recognize a student as an adult when they reach the same of the reachest and any matters related to discipline.

If they prefer, students
become their contact for school.

may opt to allow their parent(s)/guardian(s) to

The Halton Catholic District School Board is adhering to the Government of Ontario legislation (Education Act. Age of Majority Act and Accountability Act. and Municipal Freedom of Information and Protection of Privacy Act).

Students interested in having their parcet(s)/guardian(s) as a contact for the school are required to complete the Adult Student form and submit it to their school's office.

4. How do I become a contact if my child does not grant me permission?

Under the provincial legislation, students 18 and over must grant this necessission. Please speak to

5 If my child 18 and over a second for their behalf?

Unless the adult interest the expression for their persent (s)/guardian(s) to speak with the cobool-the sobsal must dispuse these matters with the adult student.

6. I am the adult student and have consented for my parent(s)/guardian(s) with the section of th

As the adult student you can include or remove narent(s)
