

- If a total of 19 registrations are received prior to the commencement of the new academic year, a second class is opened.
- The Principal, in consultation with the Superintendent, has the discretion to create a class below the minimum number of registrations.
- For Extended French, the maximum number of classrooms per grade is capped at 2 per school.

Waiting Lists:

- For Extended French, students are placed on the waiting list based on the process established.

Cross-Boundary Descriptions:

- Students may register at a school outside of their designated area ten (10) days after the HCDSB registration date if there is room; otherwise the registration will be placed on the waiting list.
Note that if granted a space at a school outside of their designated area, transportation will not be provided.
- Parents/guardians may request cross-boundary enrollment in a French Program through the Superintendent of Education responsible for the appropriate French Program site (see HCDSB Operating Policy 1-4 Cross-Boundary School Attendance).
- Schools who are deemed “closed” schools on the basis of population will not accept cross-boundary enrollment.

Transportation:

- Will be provided to students in the French Immersion (Grades 1-8) and Extended French program (Grades 5-8) who live more than 1.6 km from the HCDSB designated school;
- Will be provided to students in the Extended French Program (Grade 9-12) who live more than 2.3 km from the designated school.
program, transportation will be provided through the designated school.
- Students attending the designated FI site who qualify under the Halton Student Transportation Services (HSTS);
- Only elementary students attending the designated FI site who qualify under the Transportation Policy will receive transportation;
- Siblings, not enrolled in an optional French Program, are not eligible for transportation. Parents/guardians may request a courtesy car through the school offering a French Program.
