Alignment to Strategic Plan

This report is linked to all strategic priorities:

Achieving: Meeting the needs of all learners

Believing: Celebrating our Catholic faith and aspiring to be models of Christ

Belonging: Fostering positive relationships and sustaining safe, welcome schools

Purpose

The purpose of this report is to provide the Board of Trustees with the monitoring results of year seven of the implementation of the Halton Catholic District School Board (HCDSB) multi-year strategic plan.

Background Information

In September 2016 the HCDSB launched a multi-year strategic plan (MYSP)

[Students: Strategic Plan 2016-2021](#), identifies specific outcome measures

[Achieving, Believing, Belonging and Foundational Elements](#).

Annual monitoring of our plan is conducted by Research and Development Services using a survey to track progress from the perspectives of our stakeholders, including parents, staff, and students.

For the 2022-23 school year, the online survey was conducted from June 5th to 23rd, 2023. As part of this monitoring activity, a list of successes that relate to the goals within each priority area was consolidated into a report card. Successes are reported by senior staff at the end of each monitoring cycle.

Monitoring our Multi-Year Strategic Plan: 2022-2023

Survey Report

Introduction

Seven years ago, the Halton Catholic District School Board (HCDSB) released a Multi-Year Strategic Plan (MYSP) with the purpose of identifying the board's values and various strategic goals related to those values. At the end of each year, Research and Development 001 92.784 610.78 Tm2SP

If respondents selected *School Staff* as their role, they were then asked to select the panel in which they work. More than half of the school staff (65%; n = 70) worked in the *Classroom*; 35% (n = 38) worked in the *Administrative*.

Pillars of the Multi-Year Strategic Plan

The monitoring survey asked about the four pillars: *Achieving*, *Believing*, *Belonging*, and *Foundational Elements*. Several multiple-choice questions were asked for each pillar. Results are summarized by pillar below.

Achieving

Overall, most respondents (56-66%) agreed that in year 7 of the Strategic Plan, the HCDSB is meeting the needs of all learners through our *Achieving* pillar goals (see Figures 1 to 3 below).

Celebrating Catholic faith and belonging

In celebrating our faith and belonging, we are reminded of the rich history and traditions of our faith community. We are grateful for the many ways in which our faith is lived out in our daily lives, from attending Mass to participating in various ministries and organizations. Our faith is a source of strength and guidance, helping us to live out our values and principles. As we continue to grow and learn, we invite you to join us in our journey of faith and belonging.

- We connect with others through various programs and initiatives, such as our parishioner ministry, our school system, and our local community groups. We also work closely with other faith communities and organizations to promote interfaith dialogue and understanding.
- We celebrate our faith through liturgical services, sacraments, and other religious practices. We also participate in various events and activities throughout the year, such as Lenten observances, Easter celebrations, and various feast days.
- We serve our community by providing food, shelter, and other basic necessities to those in need. We also support various charitable organizations and initiatives, such as our local food bank, our school system, and our local hospital.
- We are committed to upholding the principles of justice, equality, and compassion. We believe that everyone deserves to be treated with respect and dignity, regardless of their race, ethnicity, gender, or sexual orientation. We also work to promote social justice and advocate for the rights of marginalized communities.
- We are grateful for the many ways in which our faith has shaped our lives and continues to do so. We are grateful for the guidance and support of our spiritual leaders, and we are grateful for the opportunity to share our faith with others. We are also grateful for the many blessings and opportunities that have come our way through our faith.

Celebrating Catholic faith and belonging before the end of the school year

- Friends and family members are encouraged to participate in the Sacrament of Reconciliation.

Catholic families are invited to participate in the Sacrament of Reconciliation at the parish level. This is a time for families to come together and reflect on their faith journey. It is also a time for families to receive guidance and support from their pastor.

Establishing a Family Council in each classroom allows students to take ownership of their education. This council includes parents, teachers, and students. It provides a platform for communication and collaboration between all parties involved.

Worship and prayer are integral parts of the Catholic faith. Regular participation in Mass and other liturgical events helps to strengthen our spiritual lives. It also provides opportunities for reflection and growth.

Offerings of time and talent are important ways to support the church. Whether it's volunteering at a soup kitchen or participating in a parish ministry, there are many ways to make a difference.

Celebrating Catholic faith and ministry

Celebrating Catholic faith and learning beyond the classroom

- The recent Strategic Plan includes a focus on climate action and environmental education.
- We have integrated STEAM elements into our learning environment to address climate change.
